Introduction to MR Pet Craft

MR Pet Craft Handicrafts is a craft producing and exporting organization throughout the world on the basis of fair trade principles. MRCL promotes craft production through enhancing the skills of rural artisans in Bangladesh. All products are produced after careful analysis of Western taste and demands in items of design and Materials.

We have our own 2 Acre land in Gazipur (Vitipara, Prohaladpur, Sreepur) where our people manufacture craft products for exporting. Also we have trained people/rural artisans in Jessore, Tangail, Shatkhira and Barisal area in Bangladesh to collect raw materials and craft products.

To achieve the sustainable livelihood of marginalized underprivileged products through handicrafts production and marketing. We MRCL have training team to assist better technology and free training when needed in Village to manufacture the products. We have also quality control staff to get the correct products for export.

Commitments of MR Pet Craft :

- To ensure environmental friendly products.
 - Find out resource based traditional products.
 - Specially encouraged the marginalized and disadvantage woman to work.
 - To ensure better livelihood along with handicrafts products.
